

HILDEN SURFACING

Captivating Style in Every Stone

**PREMIUM SURFACES
FOR A LIFESTYLE**

Since 2013, We have provided stone fabrication service for hundreds clients in Metro Vancouver

Based in Richmond, BC – and servicing areas of Metro Vancouver – Hilden Surfacing provides a whole variety of services, including granite and quartz cutting, worktops, islands for kitchens, and more. Whether you need granite or quartz kitchen worktops, marble countertops, marble bathroom vanity tops, fire hearths, granite/quartz shelves, cut on-site service or a fast granite installation service, we have what you need at prices you can afford.

We have a large selection of natural granite, marble and quartz available for you to choose from. Our extensive network with stone suppliers across Canada can guarantee you the best price on your selections. We can also source hundreds of different stones worldwide through our network of wholesalers. So if you can't find what you're looking for, give us a call or email today.

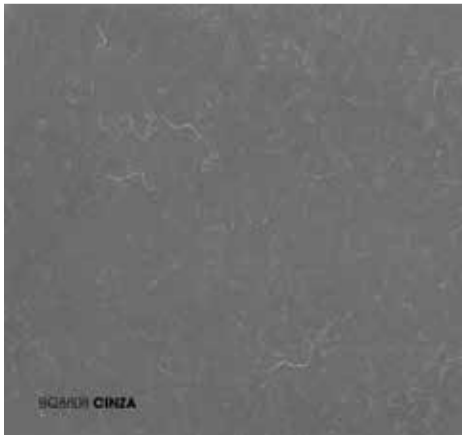

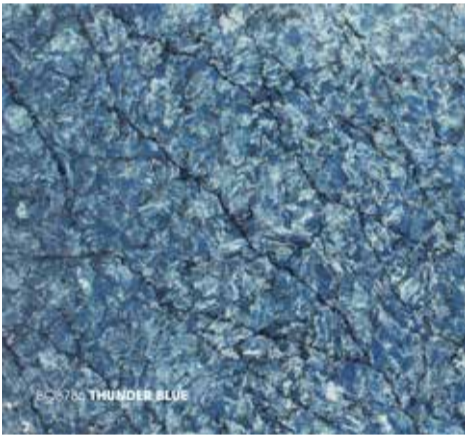

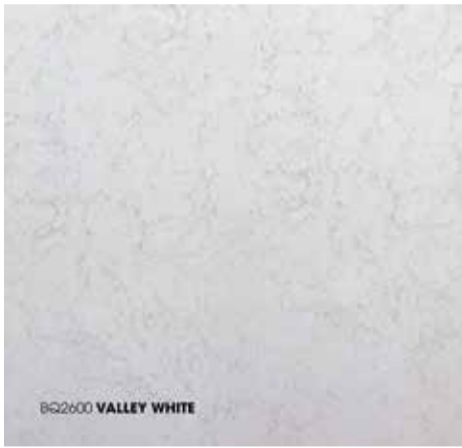

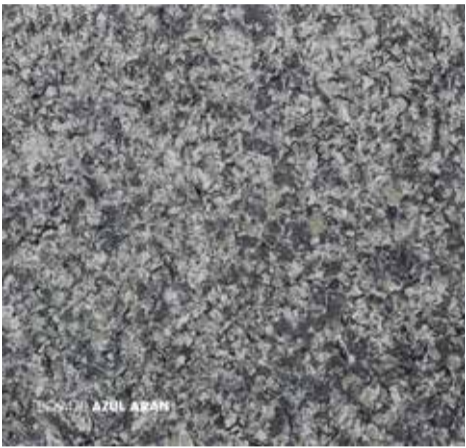

We believe in the art of stone

Making a beautiful kitchen starts with natural stones. We supply a whole range of granite in various different styles, textures and colours.

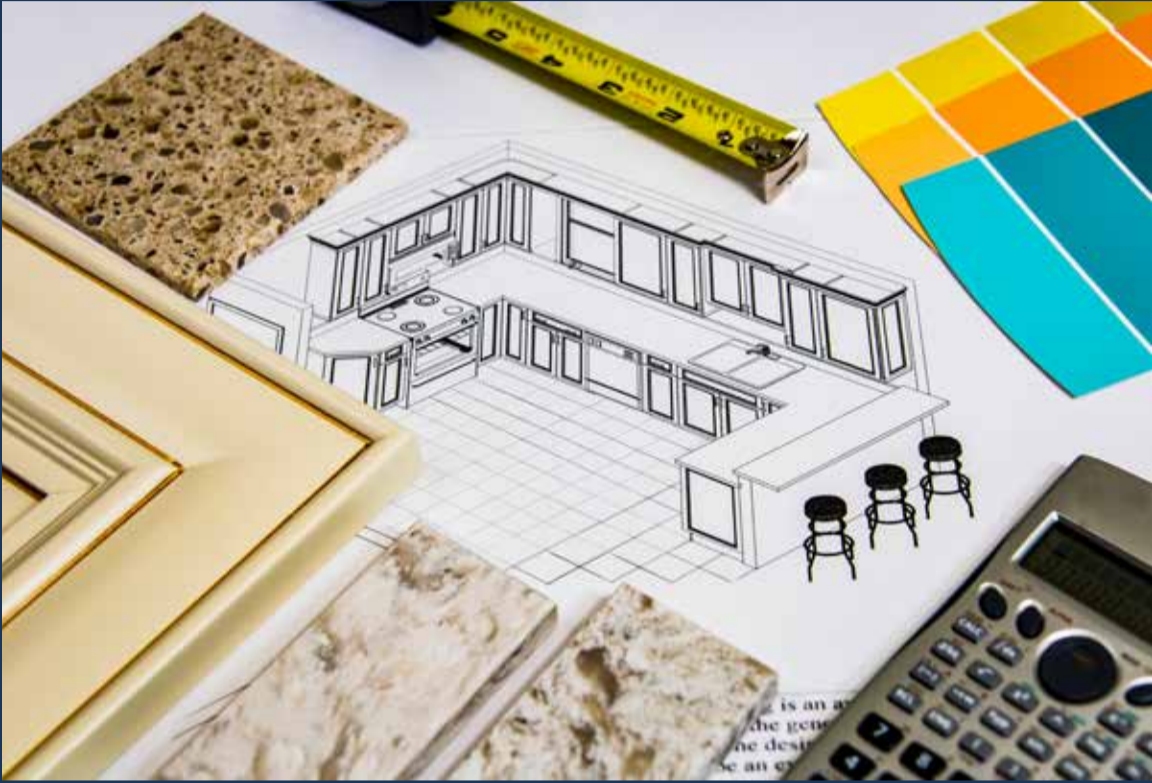

Natural stone is a versatile material that can be used in many places throughout the home. We work with industry-leading suppliers to offer you a wide range of selection of stones that can make your project stand out.

At Hilden Surfacing, we are equipped with state-of-the-art machinery to handle a wide range of custom stone solutions. Our team of professionals can help you cut the most complex design with the precision of a 5-axis CNC router.

We are a one-stop shop for all your home and commercial space renovation and remodeling needs, offering solutions for granite, quartz and marble countertops, bathroom, fireplace and backsplashes

Line of Services

.1

Design

We will work with your designer on everything from design, accessories and style to come up with a best solution.

.2

Cutting

Our professionals will ensure your products are cut to the correct dimensions without any mishaps that could cost you money or damage your investment and precisely fit your design.

.3

Polishing

We use a combination of the latest equipment and high grade polishing powders to finish or restore your surface. No finish comes close to the finish that we can do. diam nonummy nibh euismod tincidunt.

.4

Installation

When it comes to stone installation, especially countertop applications, there are so many reasons why you should leave it to us. Not only will it help you get the job done quickly and hassle-free, but it will also save you a significant amount of time and money.

Our project speaks for itself

White cabinetry with engineered maion stone boasting exquisite marble veins create this showstopping kitchen by Hilden Surfacing

At Hilden, we pride ourselves on listening to our clients and delivering results that fit their needs and budgets. Every project is unique, and everyone deserves to live with great design!

Kotozukuri

the art of focus and quality

At hilden, we believe in the Kotozukuri philosophy — the art of manufacturing things — a fundamental Japanese spirit that guide our business and service. That means to achieve positive outcomes for our clients, constantly improve our work and strive for perfection
